Description

A rare opportunity to acquire a detatched villa with a 20x9m pool plus a working equestrian entre with stabling for 24 horses plus further outside shelter plus training areas both inside and outside , plus further land ----less than 20 minutes to the coast.

The living accommodation and the pool require some improving but the horse facilities are up and running, set on the edge of a village between Huercal Overa and Pulpi.

it would cost more to recreate the buildings than the sales price... a real bargain

220,000 Euros
