Description

An attractive property in the popular village of Cela with its thermal pool and bustling summer cafe life around just a short walk away. In good order but needs reform, only land the terrace to the front.

Downstairs comprises a bedroom (which could be converted into a kitchen), a lounge area, a typical basic Spanish kitchen, a small bathroom and a storage room.

Upstairs comprises 4 rooms which are all tiled to the floor and are all clean. To the front of the property there is a terrace area with marble tiling.

The roof appears to be in good condition and the property is accessed down a short paved road from the main road.
