Description

Are you looking for a new up and coming Southern European destination at very old forgotten prices that you won't believe! then look no further.

A brand new villa just 1 month from completion with all the papers, set in the delightful small town of Dzhebel, some 40 minutes from the Mar Blanco coast in Greece and 40 minutes from the ski resort of Pamporo. The town is set in a valley which shelters the harshness of winters in other parts of Bugaria, enjoying 7 months of Mediterranean weather, 3 months of mild temperatures and 2 cooler months.

The property comprises 3 bedrooms (one with ensuite), a large lounge/diner with open fireplace, fitted kitchen and family bathroom. Air conditioning is also included in the lounge and master bedroom. Outside there is a covered porch and the whole plot is walled, gated and fenced. An 8 x 4m pool is available at 10,000€.

Phase 1 only will be released at these prices, so don't wait to long.
