Description

The Vera Agua Complex is also in the vicinity of the Vera Sol and Vera Mar Complexes and again is a large development of apartments and duplex's just 1.5km from the beach and walking distance (10 mins) from bars, shops, supermarket etc, the complex itself will have its own facilities on site shortly. The complex is finished to a very high standard with various swimming pools (indoor and outdoor) garden areas, gym etc.

We have several properties on this development but only one which is priced to reflect today's market conditions.

The property is an apartment which comprises of:-

3 double bedrooms all with built in wardrobes, 2 bathrooms, 1 en-suite to master bedroom, kitchen which is fully fitted including white goods and granite worktops, lounge/diner, and outside there is a large terrace area for outdoor eating or sunbathing.

The property is ready to move into and also comes with air-conditioning in the lounge and master bedroom and each property is fully furnished with high quality furniture including beds and linen, curtains etc. There is also wi-fi in all public areas. Each property also has its own car parking space. All paperwork is available and as this property has been reduced by 40,000€, viewing is highly recommended.

If you are interested in viewing any of these properties we can provide you with a 3 day inspection trip where you will be able to stay at the complex. Furthermore we will pay up to 750€ towards your flights, additional accommodation and car hire if you purchase one of these properties through Homes Almeria and this amount will be paid on completion.

This is a great bargain in the current financial climate.
