#### Description

An impressive and extremely large detached townhouse on the edge of the village, a short walk to most facilities and only 5 minutes to the centre of Albox which has everything you may need. There is an integral garage and steps up to the large lounge with a fitted kitchen to the rear and across to one of the many terraces and the back garden. The upstairs has bedrooms and further access to terraces with some great views. A fine property for a small price.

**125,000 Euros**
