Description

A semi detached property (attached at the rear of the house so it is very private) set on the outskirts of Arboleas , on a large splot of over 4000sqm with about 800m of flat area to the front and the rest sloping below with much land laid to vegetable plots.

The house sits on a flat area of some 700m all laid to concrete with gates and walls. There is a large brick BBQ and a garage and steps to the planted areas. Inside there is a modern 3 bed country house, with a fitted kitchen and modern bathroom.

Simply great views and good access.
