Description

A great cortijo for sale in a peaceful location close to the village of Taberno here in sunny Almeria Province.

The cortijo is in overall excellent condition but requires work to finish it and make it into a home.

The cortijo comprises two main bedrooms, hallway, a lounge, bathroom and kitchen with a further five rooms to be completed including a large lounge with fireplace. Stairs also lead to a large roof terrace which offers fabulous views of the surrounding countryside. To the rear of the property is a large garden area which has been walled off and there is further land area that surrounds the cortijo, ideal for planting almond, olive and fruit trees if required.

The property has good road access albeit in the last few hundred metres there is a rambla to cross .. it is a short drive from the main road and the village of Taberno. The main towns of Albox and Huerca-Overa are also easily accessible on good roads
