#### Description

A very rural detached property about 5 km from Macael in a small hamlet with services connected.. there is water deposit converted in to a pool, plus a flat plot of about 900 m plus more land around to purchase in addition, the plot is gated and largely terraced with paved stone. It requires a little tidying up and repainting , there is a BBQ and a storeroom.

The house itself is in very good order internally with travertino marble floors granite worktops, marble tables, wood oven, all kitchen appliances , marble bathroom , open fire, wood burner, aircon unit.. a high quality finish... There is now a large garage workshop been added to the property

**118,000 Euros**
